1. UROH

- Aim to have 5 professors over the next week
- We're focusing on opportunities for Sophomores and Juniors
- The primary objective at first is to advertise to professors
- We should look into advertising UROH at JPL

2. SFC Lunch

- At the Ath for the first time
- We should consider if having it at the Ath is worth rejecting additional people

3. Individual courses

- Survey for Bi 157 is going out
- Survey for CNS 102 is going out
- Joy will look into Ec 11
- Swati will look into CS 138

4. TQFR / CLUE

- After discussions with Prof. Hunt, we will be restarting the CLUE
- TQFR will focus on student to faculty feedback
- CLUE will focus on student to student feedback

5. ASCIT Teaching Awards

- Wesley , Karthik and Jordan will find a venue and food
- Joy and Brian will work on invitations
- Joy will manage RSVPs
- Karthik will look into additional funding
- Week of May 25 or the next week
- Riley is in charge of plaques
- Fei is in charge of A/V

6. Dean's meeting on Friday in the CSS

7. Ma 1a

- Very important because it's literally the first class freshmen go to
- Should set a good standard
- Possibly refer to CCSC
