Attending: Wesley, Fei, Kurt, Brian, Andrey, Karthik, Vivek, Jordan, Keshav, Joy, Riley

1. UROH

- We have talked to the SURF office about promoting the program
- An email was sent to faculty about UROH earlier during SURF season, so another email soon might help improve faculty participation
- Vivek will look into getting JPL support

2. Lists of Frosh labs and seminars have been posted on the website

3. Student-Faculty Lunches

- We're ready to move forward with SF teas
- We will have at least one of these before the end of the year
- Unsure if we will continue holding them at the Ath
- Then next lunch is on June 1
- We need to talk to the new MOSH about the program

4. TQFR and CLUE

- The article in the Tech expresses the ARC viewpoint

5. ASCIT Awards

- We will have this at Dabney
- Kurt will handle glassware and silverware
- The plaques are ordered
- Need to pick the exact date

6. ARC Appointments

- Interviews will begin Saturday 5-23-09 at 1 pm
