 Find	1. yes, different TAs expect different answers... also this makes the office hours of the grading TA only relevant and not the other TA's.	Thu, 11/20/08 1:51 AM
 Find	2. Yes, once I got an answer wrong, asked a TA how to do it, and he told me to do exactly the same thing I had already done, and which had been marked wrong by my TA. Also, there have been point-value discrepancies on my sets and my friend's sets (he is in a different section).	Wed, 11/19/08 10:57 AM
 Find	3. Yes. There is some inconsistency in grading (harsher grading on some problem sets/midterm), but I haven't heard of inconsistencies among students' grades for the same problem set/midterm.	Tue, 11/18/08 11:56 PM
 Find	4. The problems are sometimes confusing, so some TAs will give partial credit if you understood the concept but did not solve the problem, while others will not give you points.	Tue, 11/18/08 4:53 AM
